Gentlemen:-

The Saint Paul Institute is planning to expand its work considerably along general museum lines, in the art department, musical activities, childrens entertainments, educational features and civic affairs.

We shall appreciate very much receiving from you copies of your several programs given in the past year and all other literature you may have issued.

We shall appreciate being placed on your mailing list to receive all literature published by you.

In return, we shall be glad to reciprocate, and with many thanks for your kindness, we are

Very truly yours,

SAINT PAUL INSTITUTE

Caryl Spiller, Esq.  
Director, St. Paul Institute  
Saint Paul, Minn.

Dear Sir:

I have your letter of November 23rd, and we should gladly co-operate with you in anything that relates to our field. ~~I fear, however, that~~ We do not issue anything in the nature of a bulletin, and our Journal is rather specialized for the particular object you seem to have in mind.

I shall be glad to place your name on our mailing list for such medals as we publish, but unless you can advise me more specifically I shall assume that this is as much as we can do to meet your suggestion.

Very truly yours,

SPN/E

Secretary

*Mr. Reck/  
Kindly place above name on  
mailing list. R*
